

Volleyball is the fastest growing girl's sport at this time, yet there are few places where girls can learn and perfect the skills necessary to make this a fun sport! We want to bring this opportunity to our area through the Annual Mosley "Summer Blast" Volleyball Camp. It is truly rewarding to see the sport grow and many of our female athletes receive college scholarships.

Volleyball Camp 2019

4th grade to 9th grade

June 3rd - 6th

9am-2pm @

Mowat Middle School

Players will be grouped according to experience and age. Middle school players will be in a separate group from the elementary age players.

We will spend the first hour of each session on jumping, agility movements and court footwork.

The next two hours will be spent on skill development with emphasis on two skills per day. Offensive and Defensive strategies will be taught to the upper level campers.

The last hour campers will participate in games and daily competitions!
Last Day of Camp is the Team Tournament
